

Hidalgo County Consolidated Water Control and Improvement District

Notice of Meter Deposit Policy

The District requires that all charges for water be paid before water is delivered. Payment for flood irrigation shall be paid before the water is delivered. Irrigators planning to pay based on a meter shall deposit funds in advance with the District that will cover the cost of water to be delivered by the District. The District will read the meter no more than once per week. At the time of each meter reading, an invoice for water utilized will be sent to the irrigator that will include a statement of the balance of funds remaining on deposit with the District. Any irrigator (Buyer) that has utilized more funds than are deposited with the District, shall be considered delinquent and will not be eligible to receive additional allocations until such delinquent amounts are paid. Along with a 5% penalty fee.

The District rates are available online at <https://hccwcid.net>.
